Case No. C08-5396FDB

ORDER DENYING PLAINTIFF'S  
APPLICATION FOR COURT-  
APPOINTED COUNSEL

16 Plaintiff Daniels identifies herself in her Complaint as a dentist who has had certain hearings  
17 before the Dental Commission. She alleges, among other things, certain irregularities and  
18 improprieties in the conduct of the hearings, which involved fraudulent filling, and a revocation of  
19 her license for ten years. Among other things, she seeks return of her license without having to  
20 appear before the Commission, that all surveillance cease, prosecution and/or disbarment of  
21 Defendants Davis, Carpenter, Kuntz, and Krabill; and treble damages related to the alleged violations  
22 of RICO, her civil and constitutional rights.

23 Plaintiff now moves for court-appointed counsel, stating that she has contacted at least 15  
24 attorneys over the past two years, but all have declined after consultations.

1 The Court has reviewed Plaintiff's Complaint as well as her application and the entire file  
2 herein, concludes that appointment of counsel is not warranted, and declines to grant Plaintiff's  
3 motion.

4 NOW, THEREFORE, IT IS ORDERED: Plaintiff's Application for Court-Appointed  
5 Counsel [Dkt. # 6] is DENIED.

6 DATED this 9<sup>th</sup> day of October, 2008.
